

CHOOSE YOUR OWN DUE DATE!!!!

We are pleased to offer you the opportunity to choose your due date for your electric bill! Choose a date between the 1st and the 28th of the month that best fits your financial situation.

You can expect the change in your due date to take effect within one to two billing cycles. Please be aware that changing your due date may result in one billing period with a longer or shorter number of days and could affect the amount of the first bill you receive with your new date choice.

You will only be able to change your due date once a year, so pick the date that works best for you!

If you wish to change your electric bill due date please list the change below and return the signed form with your next payment.

If you do not wish to change your due date please disregard this notice but be aware your meter reading date will change.
